This is very post modern
no accountability to authority
absolute truth is used to coerce - Control
suspicion of truth claims will not be "controlled"
no authority structures
Consumer oriented you can buy meaning
technology "saves"
Self-centered
pragmatic - if it works - its true - ethics - morality
old is bad - new is good - old is irrelevant
psychological technique
no one is wrong
Image Management
Therapeutic
sin is not reaching full potential
reshape the self
"God" is in you - God is you
we are victimized
non-doctrinal
outside "truth" not allowed
no "organized religion"
anti-institutional
autonomy
Spirituality
Tollerance
truth is subjective
can't make religion public
spiritual beliefs are purely private
exclusion of God, grace, morality from public life.
Scepticism
nihilism
meaninglessness
Self-realization
Self-improvement / help
Alone-ness
Emptiness - fear
Selfishness - no purpose
Idividualistic - shallow
A sense of drifting
fragmentation
Depression
Immorality
no Character
no self-control
Over-confidence
Addiction..
broken families
- Truth is inside - to be discovered
- Relative Truth
- Intuition
